You can view your records, download it to your personal computer, and send it to a third party.

Patient Portal Facts:
Patients can either receive an email invite from Bay Clinic OR if they do not have an email we can print them an enrollment letter.

Parents can add all of their children under one account. Parents can view/read/write for their child and communicate on their behalf.

Adult Care Managers can have their parents added as dependents (or vice versa) so they can help with their medical correspondence.

Getting started is AS EASY AS
1, 2, 3...

1) Get your enrollment invitation
2) Create your login credentials
3) Request Health Record Online

Then enjoy your 24/7 online health access!

Accessing the Patient Portal
You can access the Patient Portal from the comfort of your home or office, from any computer or mobile device with an internet connection.

Find out just how easy it can be to communicate with your health care team, request appointments, take control of your medical information, and more.
