In honor of Bay Clinic’s 30th Anniversary Gala
A Taste of the Pacific, Celebrating Bay Clinic’s Diversity

December 6, 2013

Aloha and welcome to all of you attending Bay Clinic’s 30th Anniversary Gala. I regret that I am not able to join you on this special occasion.

Over thirty years, Bay Clinic has evolved based on the needs of the community and has expanded into one of the largest non-profit agencies on Hawaii Island, providing comprehensive, affordable, and accessible healthcare services to thousands of individuals and families. Through services ranging from medical and dental to behavioral health care, Bay Clinic strives to meet the diverse needs of its patients with care and compassion. Tonight’s event not only celebrates the achievements of Bay Clinic but will help support the Bay Clinic in expanding its services and programs to improve the health, well-being, and quality of life in the community into the future.

Mahalo to the board of directors, staff, and supporters of Bay Clinic for your hard work and exceptional service. My best wishes for an enjoyable event and your continued success.

Aloha,

Mazie K. Hirono
United States Senator

Congresswoman Colleen Hanabusa
First Congressional District of Hawaii

December 6, 2013

On behalf of the First Congressional District of Hawaii, I send my warmest aloha to The Bay Clinic in honor of the organization’s 30th Anniversary Gala.

Since 1983, The Bay Clinic has grown from one small rural clinic to a network of 8 comprehensive Federally Qualified Health Centers which serve the healthcare needs of nearly 20,000 patients in East and South Hawaii’s Island. With that growth, though, there has not been a compromise of service or care; The Bay Clinic and its staff continue to serve with aloha while offering the highest quality of care to their patients.

I commend The Bay Clinic and its staff for their commitment to excellence. The Bay Clinic has a tremendous positive presence in the community and helps to ensure that Hawaii’s Island residents have access to quality and affordable healthcare so they can live prosperous and healthy lives.

Please accept my best wishes for a wonderful event! Once again, congratulations to The Bay Clinic on thirty years of success! I look forward to many more years of success and prosperity for both The Bay Clinic and the people of East and South Hawaii’s Island.

Aloha,

Colleen W. Hanabusa
Member of Congress
