MEET OUR NEW MEDICAL DIRECTOR

We are pleased to announce that effective March 16, 2018, Dr. Tamara Todd has been appointed to replace Dr. Chrissy Capati as Acting Medical Director.

For almost five years, Dr. Todd has served as a pediatrician at our Kea'au Family Health & Dental Center. She has consistently demonstrated her strong commitment to ensuring access to quality patient-centered health care for all in East Hawai'i.

Dr. Todd and Dr. Capati are alumnae of the National Health Service Corps.

“Being an NHSC loan repayment participant has given me the honor of providing care to children whose families have limited access to care while also relieving of some of the financial debt from my education years. It’s rewarding to be part of a program that is addressing the nation’s shortage of primary care providers in underserved areas.”

- Tamara Todd, MD

QUALIFICATION:

- Bachelor of Science in Biochemistry, Louisiana State University, Baton Rouge, LA
- Doctor of Medicine, Louisiana State University Health Sciences Center, New Orleans, LA
- Pediatric Internship & Residency Program, Maine Medical Center, Portland, ME
